

Campaign Statement

Hello Graduate Student Community,

My Name is **Sai Jaswanth Kumar Durgi**, I am privileged to be a candidate for the **Vice President of Administration and Finance** position for our **Graduate Student Council (GSC)** at **University of North Texas**. I am here to step forward with a vision **“Shape the present, for better tomorrow”**. It’s not only the promise, it’s my dedication to enhance ourselves to build stronger and more connected future.

As a **Vice President of Administrative and Finance for Graduate Student Council (GSC)**, **My Mission & Commitment** will be actively engaging with you to listen your problems, ideas, and aspirations towards studies, sports, career paths and student life at UNT. I can serve you as a medium between students, Graduate Student Council and University Leadership to ensure your voice heard and addressed your needs in a transparent and accountable manner.

My Goals and Aspirations as a **Vice President of Administrative and Finance for Graduate Student Council (GSC)**, I will make sure to communicate with you through surveys, polls to identify the key student needs and solutions. I will advocate for it, ensuring that financial and administrative decisions align with our needs. I will enhance networking opportunities with student engaging events and multicultural events to strengthen our community.

As an **International student** I know the challenges of studying abroad, I will advocate for better awareness, career support, and resources to help us to navigate our academic journey successful.

I have gained valuable leadership experience as **Secretary and Membership/Ticketing Lead for India Students Association, University of North Texas** and **Treasurer for MITS Social responsibility club (MSR Club), Madanapalle Institute of Technology & Science**. These roles have given me good experience with the organizational, financial, and leadership skills needed to be effectively serve as **Vice President of Administration and Finance** for the **Graduate Student Council (GSC)**.

I am committed to start a voice for all our graduate students, advocating for a real change, and ensuring with the step-by-step growth within our student community. With your support, I will work towards creating a more resourceful for an engaging graduate student experience to our community.

Let’s Shape the Future Together!

Your vote matters. Let’s build a better tomorrow!

Thank you,

Sai Jaswanth Kumar Durgi.
