Today’s marketplace demands more of its leaders than ever before — innovation, creativity, and often, an advanced degree. In fact, nearly 20 percent more occupations will require an upper-level degree within the decade. A graduate education from UNT will give you the tools you need to rise to the challenge and make a difference in the world around you.

Increase your salary and your potential with our nationally and internationally recognized programs and dedicated faculty. Our university-wide focus on professional development and world-class research will prepare you to put your advanced education into action.

TAKE YOUR CAREER FURTHER WITH A GRADUATE DEGREE FROM UNT.
WELCOME TO UNT’S TOULOUSE GRADUATE SCHOOL.

I’m pleased you’ve taken an interest in our exceptional university. When you join UNT, you become a part of an educational environment that is dedicated to your professional development. As the demand for an advanced degree continues to rise, our graduate programs can help you soar above the rest and strengthen your professional skills.

You’ll graduate with the confidence and skills needed to be a highly sought-after candidate in your industry.

UNT drives innovation and technology through high-level research and scholarship. We contribute globally through the creation of intellectual capital and generate a $1.65B economic impact in Dallas-Fort Worth annually. Our premier facilities and interdisciplinary research institutes offer a great campus environment and the chance for you to make an impact in your discipline.

At UNT, you can expect a high-quality advanced degree at an affordable cost. I invite you to learn more about the UNT program that fits your career aspirations. When your passion meets our expertise, there’s no limit to what you can accomplish.

With UNT pride,

Victor Prybutok
Vice Provost for Graduate Education and Dean of the Toulouse Graduate School

RESEARCH FOR THE REAL WORLD

No matter your educational focus or long-term career goals, employers are looking for well-rounded candidates who not only have professional experience, but are able to think critically and develop creative solutions to complex problems. Research is an invaluable part of that process, and at UNT you’ll have opportunities to conduct high-impact studies alongside faculty on the forefront of knowledge creation.

37 RESEARCH CENTERS AND INSTITUTES

CENTER FOR EXPERIMENTAL MUSIC AND INTERMEDIA (CEMI)
An interdisciplinary research center housed in UNT’s world-renowned College of Music, focused on the integration of experimental music, art and technology

SCIENCE EDUCATION RESEARCH LAB
Texas Environmental Excellence Award winner

CENTER FOR ADVANCED RESEARCH AND TECHNOLOGY
Renowned as one of the most advanced materials analysis university research centers in the nation

CAPE HORN FIELD STATION IN CHILE
The world’s first field research facility dedicated to environmental philosophy, science and policy

BIG BREAKTHROUGHS, BETTER WORLD

EXAMPLES INCLUDE:
• Breast cancer treatment and detection
• Better biofuels from plant oils
• Big data analysis to solve complex logistical problems

STATE-OF-THE-ART FACILITIES, INCLUDING

BUSINESS LEADERSHIP BUILDING
Certified LEED Gold for sustainability and home to the Jim McNatt Institute for Logistics Research and the Complex Logistics Systems Laboratory, among others

DISCOVERY PARK
UNT’s 300-acre research park, one of the largest of its kind in the region and home to the College of Engineering, the College of Information and the Center for Information and Computer Security

STUDENT RESEARCH SPOTLIGHT

Ethan McBride
Ph.D. student, Analytical Chemistry
He’s using mass spectrometry to analyze the evolution of illicit drugs to reduce potential dangers to society.

“Tastier and more competitive candidate in my industry thanks to the excellent mentorship I’ve received from my faculty advisors and a focus on research that solves real-world problems.”

Renee Cloutier
Ph.D. student, Psychology
Winner of a prestigious $7,000 National Institute of Health award, she’s carrying out research on teen social anxiety.

José Torres-Ramos
Ph.D. student, Ethnomusicology
Recipient of the Perry R. Bass Fellowship in Music Education, he researches how Latin American music and culture can enhance teaching and community engagement among educators.

“I’m a more competitive candidate in my industry thanks to the excellent mentorship I’ve received from my faculty advisors and a focus on research that solves real-world problems.”

— CARNEGIE CLASSIFICATION
University of North Texas // gofurther.unt.edu
1,900 FACULTY MEMBERS
DISTINGUISHED SCHOLARS, RESEARCHERS AND ARTISTS WHO ARE WIDELY KNOWN AS EXPERTS IN THEIR FIELD AS WELL AS DEDICATED MENTORS

LEARN FROM THE BEST

OUR PRESTIGIOUS FACULTY
ENHANCE YOUR PROFESSIONAL EXPERIENCE (AND YOUR RÉSUMÉ) BY WORKING AND COLLABORATING WITH FACULTY WHO ARE:

- Fellows of the American Council on Education
- Fulbright award winners
- Grammy and Emmy Award winners and nominees
- National Academy of Engineering members
- National Academy of Sciences members
- National Science Foundation (NSF) CAREER award winners
- Pulitzer Prize nominees

Alexandra Ponette-González (above)
Assistant Professor of Geography

The NSF CAREER Award recipient is bringing a fresh perspective to green research by studying the effectiveness of trees in capturing black carbon, ultimately improving air quality.

Andrés Cisneros
Professor of Computational Chemistry

Cisneros is computing the cure for cancer with grants from the NVIDIA Foundation and the National Institutes of Health — and a dedicated research team of graduate students.

Bugao Xu
Professor and Chair of the Department of Merchandising and Digital Retailing

With a grant from the Walmart Foundation and the U.S. Conference of Mayors, he’s revolutionizing the retail industry by developing digital technologies that will bring manufacturing jobs back to the U.S.

Brian O’Connor, director of the Visual Thinking Lab, works closely with students to explore the intersection of society, culture and photography.
THE POWER OF POSSIBILITIES

Participating in internships or practicums isn’t just for new professionals. UNT offers a wide range of career-advancing options in the Dallas-Fort Worth area. You can add to your professional skills, or perfect the ones you have already. You’ll make valuable connections, and you may even land a new job as a result.

PRACTICAL EXPERIENCE

Advance your career with hands-on training such as:

CLINICAL EXPERTISE
Students of our nationally recognized Psychology program hone their professional skills in the on-campus Psychology Clinic, which provides a wide range of mental health services to the general public.

A WORLD OF OPPORTUNITY
Students travel to Costa Rica annually through our International Sustainable Tourism program — the first of its kind in the U.S.

EXCLUSIVE PARTNERS
We’re a proud partner of the Dallas Cowboys. For UNT students that means new academic experiences, including professional exposure, opportunities for engagement and internships.

CORPORATE CONSULTATION
M.B.A. students with a focus on marketing serve as consultants for national corporations from 7-Eleven to AT&T during their Applied Marketing Problems course.

ASSISTANTSHIPS AND FELLOWSHIPS
The graduate school and individual departments offer thousands of options to teach or complete research with faculty members.

Learn more about resources for teaching and research excellence at gofurther.unt.edu/assistantships.

Jett Tullos
M.P.A. student, Emergency Management
Collin County Administrative office

“The best part about my internship experience was building relationships with professionals already working in the field. I was enhancing my professional skills and marketability while I was in school.”

Veronica Castro
M.S. student, Accounting
BKD LLP

“Thanks to my graduate advisor, I landed an amazing internship which led to a full-time job offer. She connected me with the right people at the firm and has been instrumental in my success.”

Tele Folorunso (’17 M.S.)
Mechanical and Energy Engineering
CBS ArcSafe

“I enhanced my professional skills through useful internships, a research assistantship and UNT’s Professional Leadership Program. Thanks to UNT, I had a great job lined up with an industry leader when I graduated.”

CAREER

UNT DEGREES WORK
With faculty on the forefront of industry-leading research and supportive staff focused on graduate student success, you can follow your passion wherever it takes you and get the job you want. Through active partnerships with a wide variety of employers, you’ll graduate with highly marketable expertise and a powerful alumni network.

RESOURCES TO GET YOU HIRED

CAREER CONNECTIONS
Meet and interview with representatives from regional and national companies like:

- ALCON
- PEPSICO
- BAYLOR SCOTT & WHITE HEALTH
- STATE FARM
- FIDELITY INVESTMENTS
- TEXAS INSTRUMENTS
- LOCKHEED MARTIN
- TOYOTA

UNT CAREER CENTER
The Career Center provides professional guidance and support that works for you, no matter your professional interest. You’ll have access to one-on-one advising with a career counselor dedicated to graduate students, and seminars and workshops on topics like perfecting your résumé, salary negotiation and interview practice.

EAGLE CAREER NETWORK
You’ll have access to Eagle Careers, a robust job search engine offered exclusively to the UNT community. Employers post jobs for on- and off-campus positions.

See for yourself at careercenter.unt.edu.

PROXIMITY MATTERS
WE’RE PART OF THE DFW AREA, HOME TO THE NATION’S FOURTH LARGEST CONCENTRATION OF FORTUNE 500 COMPANIES.

SUCCEED

DFW IS RANKED 12TH IN THE NATION FOR CREATING THE MOST TECH JOBS — FORBES

GET HIRED
Employers seek out UNT graduates because they’re known for being successful leaders in the workforce.

Stephanie Richardson (right)
Enterprise Holdings, Regional Talent Acquisition Manager
“UNT students are genuine, smart candidates who have the drive to succeed. It’s no surprise that we’ve hired over 600 UNT students.”

Mark Pullam
Fidelity Investments, Talent Acquisition
“UNT students are simply great candidates. They are unafraid to work hard and carve out their own path to success — which is exactly what we look for at Fidelity.”

REAL STUDENT SUCCESS

Jaime Aguero
M.B.A. student, Real Estate
J.P. Morgan Chase, Operations Manager
“I chose UNT because I was ready to take my career to the next level. My faculty mentors encouraged me to complete a business-focused study abroad program, which further enhanced my professional marketability.”

Tiffiny Reckley
M.M.Ed. student, Music Education
Yellowstone Academy, Houston, Texas
“It’s important to me to continue pushing myself to be the best possible educator for my students. I love taking ideas from my courses and applying them to my classroom in real time.”
IN A COMPETITIVE JOB MARKET, IT’S ALL ABOUT CONNECTIONS THAT COUNT.

UNT’s alumni network is 407,000 strong, with almost 70 percent living in the DFW area. More than 10,000 of DFW’s UNT alums hold executive titles. You can connect with them through professional and networking events on campus offered through the Career Center, your department or the Alumni Center.

Once you’re an alum yourself, you’ll be able to take advantage of free lifetime benefits such as career advising and access to employment fairs and our award-winning Student Money Management Center.

NOTABLE ALUMNI

Denny Thomas (‘13 M.F.A.)
Editor, HBO’s Vice Media, and Emmy nominee

GET INVOLVED
• Student organizations designed just for graduate students
• 1,500 events and performances on campus each year
• 16 NCAA Division I sports teams
• Community service options like the Big Event

POHL RECREATION CENTER
• Two pools, indoor soccer gym and weight and fitness room
• A wide variety of fitness classes
• 45-foot climbing and bouldering wall
We call Denton home, but UNT offers you more choice in how and where you study with five locations across the North Texas region and a wide range of online options. You can take courses during the day, evening or 100% online — either full- or part-time.

Denton is a great place to call home, with a vibrant arts scene, the Denton Community Market, great school districts, plentiful parks and bike trails, two nearby lakes and a 2,000-acre nature preserve.

- Among the Top 10 Healthiest Housing Markets among small U.S. cities
- Convenient proximity to Dallas, one of Forbes’ Top 10 U.S. cities for job growth
- Regional rail service via the A-train, connecting Denton to downtown Dallas and DFW International Airport
- Denton County Young Professionals Group, great for networking and exploring your options

You can enjoy a wide variety of events, many of them free and family-friendly. Some of our favorites include:

DENTON ARTS & JAZZ FESTIVAL
HOLIDAY LIGHTING FESTIVAL
COMMUNITY RUNS AND BIKE RIDES
THIN LINE FILM FESTIVAL
