ADVANCE YOUR CAREER WITH A GRADUATE DEGREE FROM UNT.
WELCOME TO UNT’S TOULOUSE GRADUATE SCHOOL.

I’m pleased that you’ve taken an interest in our exceptional university. As the demand for an advanced degree continues to rise, our nationally and internationally recognized graduate programs can help you soar above the rest and strengthen your professional skills.

You’ll graduate with the confidence and experience needed to be a highly sought-after candidate in your industry.

UNT drives innovation and technology through high-level research and scholarship. We contribute globally through the creation of intellectual capital and generate a $1.65 billion economic impact in Dallas-Fort Worth annually. Our premier facilities and interdisciplinary research institutes offer a great campus environment and the chance for you to make an impact in your discipline.

At UNT, you can expect a high-quality advanced degree at an affordable cost. I invite you to learn more about the UNT program that fits your career aspirations. When your passion meets our expertise, there’s no limit to what you can accomplish.

With UNT pride,

Victor Prybutok
Vice Provost for Graduate Education and Dean of the Toulouse Graduate School

  gograd.unt.edu/analytics

Innovate health care with Biomedical Engineering
Join the fastest-growing engineering field through our advanced programs. You’ll study in our new, 26,250-square-foot biomedical engineering facility with renowned faculty who earn top research contracts.

Learn more
  gograd.unt.edu/biomed
José Torres-Ramos, Ph.D. student, Ethnomusicology
The first UNT Ph.D. student in this discipline to win the prestigious Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship, he’s researching mariachi and masculinity in performance in Mexico.

Renee Cloutier, Ph.D. student, Behavioral Science
Winner of a prestigious $71,000 National Institutes of Health award, she’s carrying out research on teen social anxiety.

Ethan McBride, Ph.D. student, Analytical Chemistry
He’s using mass spectrometry to analyze the evolution of illicit drugs to reduce potential dangers to society.

“I’m a more competitive candidate in my industry thanks to the excellent mentorship I’ve received from my faculty advisors and a focus on research that solves real-world problems.”

JOIN OUR OUTSTANDING STUDENTS

REVOLUTIONARY RESEARCH

REMARKABLE RESULTS

Join our family of award-winning innovators. With exceptional, high-impact research happening every day—from developing powerful educational technology through the NetDragon Digital Research Centre to engineering crops that treat neurological disorders or reduce greenhouse emissions through the BioDiscovery Institute — your options are limitless.

BIG BREAKTHROUGHS, BETTER WORLD

BIG BETTER BIOFUELS from plant oils for a cleaner future
BIG DATA ANALYSIS and complex logistics research to support a sustainable global economy
BREAKING STEEL BARRIERS with new, powerful metal alloys for aerospace and beyond

STATE-OF-THE-ART FACILITIES

BUSINESS LEADERSHIP BUILDING
Certified LEED Gold for sustainability, and home to the Jim McNatt Institute for Logistics Research and the Complex Logistics Systems Laboratory, among others

23 IMPRESSIVE RESEARCH CENTERS AND INSTITUTES

CENTER FOR PLAY THERAPY
The largest play therapy training program in the world, attracting graduate students from all 50 states as well as Canada, Mexico, China and other countries

MATERIALS RESEARCH FACILITY (MRF)
Renowned for materials science research and providing researchers with access to one of the nation’s most advanced combinations of materials analysis instruments, from the macro to atomic levels

CASTLEBERRY PEACE INSTITUTE
The only peace science regional institute in the southern U.S.

SCIENCE EDUCATION RESEARCH LAB
Texas Environmental Excellence Award winner

CANCER TREATMENT AND DETECTION
Conducting cancer-fighting research across disciplines, from finding new protein in one of the deadliest types of breast cancer to pioneering studies of ethnic-specific susceptibility to certain types of cancer

DISCOVERY PARK
UNT’s 300-acre research park, one of the largest of its kind in the region and home to the College of Engineering, the College of Information and the Center for Information and Computer Security

CENTER FOR EXPERIMENTAL MUSIC AND INTERMEDIA (CEMI)
An interdisciplinary research center housed in UNT’s world-renowned College of Music, focused on the integration of experimental music, art and technology

CAPE HORN FIELD STATION IN CHILE
The world’s first field research facility dedicated to environmental philosophy, science and policy

DISCOVERY PARK
UNT’s 300-acre research park, one of the largest of its kind in the region and home to the College of Engineering, the College of Information and the Center for Information and Computer Security

CENTER FOR EXPERIMENTAL MUSIC AND INTERMEDIA (CEMI)

WORK WITH OUR PRESTIGIOUS FACULTY

ENHANCE YOUR PROFESSIONAL EXPERIENCE (AND YOUR RÉSUMÉ) BY COLLABORATING WITH CARING FACULTY INCLUDING:

Richard Dixon
Distinguished Research Professor and Associate Director of UNT’s BioDiscovery Institute
United Kingdom’s Royal Society and National Academy of Sciences member

Anupama Kaul
Professor and Director of the UNT PACCAR Technology Institute
Lead developer of ultra-high-performance optoelectronics for the Air Force Office of Scientific Research

Thomas Parsons
Professor of Learning Technologies and Director of UNT’s NetDragon Digital Research Centre
Patent holder of eHarmony.com’s Matching System and recipient of a $1 million grant from the U.S. Department of Defense
POWER OF PLACE

We work with the best so you can too. The Dallas-Fort Worth area offers unmatched career advancement options, and UNT offers unmatched access to top employers. You’ll make valuable connections through internships and elevated professional experiences, and you may even land a new job as a result.

UNT’S TOP-RATED EMPLOYERS

- AT&T
- BAYLOR SCOTT & WHITE HEALTH
- DALLAS COWBOYS
- ENTERPRISE RENT-A-CAR
- FIDELITY INVESTMENTS
- LOCKHEED MARTIN
- PRICEWATERHOUSECOOPERS
- SOUTHWEST AIRLINES
- STATE FARM
- TEXAS INSTRUMENTS

Discover more about field placement options through your program or the Career Center at careercenter.unt.edu.

EMPLOYERS SEEK OUT UNT GRADUATES BECAUSE THEY’RE KNOWN FOR BEING SUCCESSFUL LEADERS IN THE WORKFORCE.

“UNT students are simply great candidates. They are unafraid to work hard and carve out their own path to success — which is exactly what we look for at Fidelity.”

Mark Pullam, Fidelity Investments, Talent Acquisition

BY 2020, 20% MORE OCCUPATIONS WILL REQUIRE AN ADVANCED DEGREE
THE ADVANTAGE YOU NEED

ACADEMIC SUPPORT FOR YOUR SUCCESS

EXCLUSIVE TOULOUSE GRADUATE SCHOOL SERVICES

- Monthly Thesis and Dissertation Boot Camps
- More than 70 specialized academic and professional workshops annually, such as:
  - Developing your Résumé and Cover Letter
  - How to Craft a Winning Grant Proposal
  - Publishing Your Research
- Research grants to support fieldwork and costs
- Three Minute Thesis® competitions

FREE ACADEMIC RESOURCES

- Office of Research Consulting, for statistical analysis support
- The Learning Center, for free in-person or online tutoring and workshops
- Graduate Student Writing Lab, for technical writing support
- Research grants to support fieldwork and costs
- Three Minute Thesis® competitions

MANY OPTIONS ARE AVAILABLE ONLINE FOR YOUR CONVENIENCE.

RESOURCES TO GET YOU HIRED

UNT CAREER CENTER

The Career Center provides professional guidance and support that works for you, no matter your professional interest. You’ll get access to one-on-one advising with a dedicated career counselor just for graduate students, and the chance to attend seminars and workshops on topics like perfecting your résumé, salary negotiation and interview practice.

EAGLE CAREERS

You’ll have access to Eagle Careers, powered by Handshake, a robust job search engine offered exclusively to the UNT community. Employers post jobs for on- and off-campus positions.

SEE FOR YOURSELF AT careercenter.unt.edu.

While you’re hard at work balancing courses, job and family, you’ll have access to a wealth of academic resources to help you secure the job you want.
IT'S YOU WHO KNOW

IN A COMPETITIVE JOB MARKET, IT'S ALL ABOUT CONNECTIONS THAT COUNT.

UNT’s alumni network is 420,000 strong, with almost 70 percent living in the DFW area. More than 10,000 of DFW’s UNT alums hold executive titles. You can connect with them through professional and networking events on campus offered through the Career Center, your department or the Alumni Center.

Once you’re an alum yourself, you’ll be able to take advantage of free lifetime benefits such as career advising and access to employment fairs, and our award-winning Student Money Management Center.

MORE THAN 800 UNT ALUMNI ARE CEOs OR PRESIDENTS

UNT OFFERS A NUMBER OF SCHOLARSHIPS INCLUDING GENERAL ACADEMIC SCHOLARSHIPS, DEPARTMENT-SUPPORTED, NATIONALLY COMPETITIVE AND EXTERNAL SCHOLARSHIPS. ANY COMPETITIVE UNT SCHOLARSHIP OF $1,000 OR MORE PER ACADEMIC YEAR INCLUDES AN OUT-OF-STATE TUITION WAIVER.

GENERAL SCHOLARSHIP APPLICATION PRIORITY DATE: MARCH 1
PLAN FOR SUCCESS

THERE’S NEVER BEEN A BETTER TIME TO UPGRADE YOUR FUTURE. HERE’S HOW »

GET PREPARED

- Take a graduate tour of campus. gograd.unt.edu/tours
- Connect with a graduate advisor or key faculty in your area of interest to discuss graduate school options and admission requirements. gograd.unt.edu/advising
- Prepare your application materials at least two months prior to the departmental application date. International applicants may need additional time to process documents.

TWO-PART APPLICATION PROCESS

The UNT graduate application is a concurrent two-part process. All graduate applicants must complete the Toulouse Graduate School admission requirements, but most programs have additional requirements.

- Apply to the Toulouse Graduate School at www.applytexas.org and pay the application fee. Send transcripts from all colleges attended to the graduate school office.
- Apply to the department and submit all supporting application materials.

PROGRAM DEADLINES VARY. CHECK YOUR DEPARTMENT’S WEBSITE FOR MORE INFORMATION.

THINGS TO KEEP IN MIND

TEST SCORES

- Check with your department to determine test score requirements. If admissions exams are required, submit your test scores to the department through the testing agency.

MONEY

- Apply for scholarships, assistantships and fellowships.
- Check with your department for assistantship and fellowship applications.
- Apply for financial aid at fafsa.gov. Priority date: Jan. 15

APPLICATION STATUS

- General academic scholarship priority date: March 1
- Priority date for other awards: Varies by program
- Check the status of your admission application through your my.unt.edu portal.

AFTER YOU’RE ADMITTED

- Review the UNT Graduate Student Success Manual linked in your admission letter.
- Attend a graduate orientation session in person or online. orientation.unt.edu/graduate
- International students are required to attend international orientation.
- Many departments have their own additional orientation.

LEARN MORE AT gograd.unt.edu/admissions.
